EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Marc Machtinger on 5/11/07.

The application has been amended as follows:

IN THE CLAIMS:

Claim 1 line 5, delete "single piece"

Claim 1 line 7, delete "single piece"

Claim 1 line 8, add --substantially, entirely -- between "cavity" and "envelopes"

Claim 1 line 9, remove "." and replace with --and, wherein said nipple cover substantially rotates from the first side of said shield to the second side of said shield. --

Claim 4 line 6, delete "single piece"

Claim 4 line 9, delete "single piece"

Claim 4 line 10, add --substantially, entirely -- between "cavity" and "envelopes"

Claim 4 line 11, remove "." and replace with --and, wherein said nipple cover substantially rotates from the first side of said shield to the second side of said shield. --

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: Claims 1-17 are allowed because the recited combination of a shield with two sides with a nipple extending from one or both sides and the cover or covers entirely enclosing the nipple rotating from one side to the other side was not found in the prior art.

See US Patents 5,578,058 and 6,436,125 and 5,273,172, these can not be reasonably interpreted to form a rejection to overcome the applicants claims. The cover of 5,578,058 does not entirely cover the nipple and cannot be rotated to the other side of the shield. 6,436,125 does not have a cover or covers for the nipple. 5,273,172 does not rotate from one side of the shield to the other side of the shield.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
